Overview

Founded in 1994, Exchange Data International **EDI**, is a Global Provider of Market Data. Our products and services include Pricing Data, Corporate Actions and Reference Data products for derivatives, equities and fixed income.

The cornerstone of our success lies in our expertise in integrating, aggregating and flexibly delivering structured data to facilitate investment research, administration and processing as well as our ability to fit our clients' operational requirements.

Timely Delivery

Choose to receive the data via the online platform or FTP data feeds on a daily or weekly basis. Files are available in CSV, XLS or TXT format.

Prompt Notifications

Subscribers of the online service can easily set up daily email alerts and receive up-to-date information directly to their email solutions.
