

Exchange Data International (EDI) is pleased to announce a strategic alliance with Financial Information Inc. (FII) and will be adding FII's Historical Reference Services (HRS) Suite of Products to our offerings.

## Historical Reference Service (HRS)

Subscribers will have access to multiple historical data services which are comprised of stocks listed on the U.S. and Canadian exchanges: 50,000 Active Securities; 125,000 Obsolete Securities; 2,500,000 Trackable Securities, and more.

## Security Reference Service (SRS)

SRS allows subscribers 24/7 access to FII's historical and reference databases. Packaged together with FII's Annual Guide to Stocks (printed edition) SRS offers subscribers complete historical data coverage.

## Active Stock Guide Service

50,000 United States and Canadian securities which are listed on US security exchanges, including companies incorporated offshore, full security issuer, Issue Descriptions, CUSIP® or CINS®; Place of Incorporation; Par Value; Transfer Agents, plus a separate section for inactive agents referencing the new agent; Transfer Charge; Dividend Disbursing Agent; Lead Underwriter; Poison Pills; Summary of Capital Changes & Stock Dividends for Active Stocks.

## Obsolete Stock Guide

Obsolete Stock Guide Service - More than 100,000 Obsolete Securities dating back to the late 1800s, Bankruptcies and Receivership, Liquidations, Dissolutions, Corporate Charter Cancellations, Mergers & Acquisitions, Name Changes, Recapitalizations, Reorganizations, Stocks Declared Worthless, Summary of Capital Changes and Stock Dividends for Obsolete Stocks.

## End-of-Life (ELF) Service

ELF empowers subscribers to authenticate the accuracy of their Security Master File for North American Equities. ELF is now packaged with the Security Reference Service (SRS) and subscribers have 24/7 access to FII's reference and historical databases.

ELF results are divided into the following subsets: Worthless & Equity Unlikely; Non-Transferable; Cashed Out; Identity Change - No Exchange; SEC Registration Revoked, and Company Terminating Registration.

# About EDI

Founded in 1994, Exchange Data International EDI, is a Global Provider of Market Data. Our products and services include Pricing Data, Corporate Actions and Reference Data products for derivatives, equities and fixed income.

The cornerstone of our success lies in our expertise in integrating, aggregating and flexibly delivering structured data to facilitate investment research, administration and processing as well as our ability to fit our clients' operational requirements.

# About FII

Financial Information Incorporated (FII) was founded in 1911. FII's runners hurried along Wall Street to the offices of our subscribers. They delivered hastily handwritten notes describing events and changes that impacted the value of stocks and bonds traded in the public markets. These notices evolved into their widely used Financial Daily Card Service, the industry standard for Corporate Actions information. Offering their clients real-time, accurate and comprehensive data products, delivered in high-speed, customized methods.

## Delivery Methods:

FII Online, a web-based query service; Variable Length Records; Fixed 80 Byte Records; Customized solutions; and Print.
