

In today's dynamic financial markets, the need for accurate and timely updates regarding corporate actions has become increasingly crucial.

The **Corporate Actions Alert Files** offers customizable notifications 1 to 30 days before critical dates for corporate actions, including ex-dates, effective, and payment dates for mergers, stock splits, and dividends, aiding investors in timely decision-making.

### Key Features:

- Advanced Scheduling**  
 Select specific dates to receive alerts for corporate action events. This way you will never miss taking action on a critical date.
- Customizable Alerts**  
 Tailor alerts from 30 days to as little as one day before an event, ensuring they meet your specific needs.
- Comprehensive Coverage**  
 Stay update with alerts on payment dates, record dates, effective dates, and ex-dates, and all fields from EDI's Corporate Actions feed.
- Accessible to all Investors**  
 Open to all investors, compatible with any data format, and offers specialized, flexible alerts to complement existing data, keeping investors updated on critical corporate action events.
